

## SANFORD, FLORIDA

Sanford is a beautiful waterfront city located on the shores of Lake Monroe and is committed to economic growth and the revitalization of its historic riverfront downtown. While Sanford has a charming and traditional 19th century downtown, Sanford is also a part of the vibrant and fast-paced I-4 corridor. Sanford has strong retail sectors along both I-4 and US 17/92. The Seminole Towne Center Mall contains Florida's leading department stores. Sanford also boasts a solid light industrial component with several major industrial parks throughout the City.

Sanford is home to the Orlando Sanford International Airport (OSA), which saw 1,834,315 passengers through its gates in 2004. *Airports Council International (ACI)* ranked OSA as the fastest growing North American airport for the first nine months of 2004. Additionally, for airports with more than a million passengers, OSA is the 5th fastest growing airport in the world. A transportation hub, Sanford can also be accessed by major highways, bus and the Amtrak and auto trains.

With over 2,500 homes and townhomes recently built, or under construction, Sanford is a rapidly growing city that is still proud of its small town charm and the friendliness of its residents.
